

Council Committee Report
Submitted by: Councilwoman Rukiah Alwan
November 2018

Recreations:

- Trunk or Treat-I apologize for missing this year but I was sick; I heard it was a wonderful event as usual with lots of Children showing up; I want to thank the Chesilhurst PD for providing this event and next year we are going to need more volunteers to decorate their trunks and also help monitor children!
- Veteran's Day-I want to give acknowledgement and praise for all the Veteran's out there alive and deceased who served our Country. Your service is invaluable and we look forward to celebrating you every year on November 11th! Don't forget to check out local restaurants such as Dunkin Donuts, Applebees and Outback Steakhouse and other places for discounted or free food!
- Rabies Clinic-Although this meeting will be aired after the 10th I want to mention that I will be attending the Rabies Clinic this Saturday, November 10th and we hope to see you there to get your pet's the shots they need!
- Holidays-I want to wish everyone a very Happy Thanksgiving and Happy Holidays! Although we all may celebrate different Holidays, we can all relate to family and the precious moments that we spend with our loved ones; so whatever you celebrate I want to wish you a great holiday and many more!
