

Council Committee Report for December 2018

Submitted by: Councilwoman Rukiah Alwan

- Recreations:
- Rabies Clinic: The Rabies Clinic was held on November 10th and Councilwoman Chew and our Borough Clerk spearheaded the event. Council President and I were able to stop on through and while in attendance there were no dogs or cats that showed up! However, it was reported to us that there were a few animal owners that took advantage of the free shots! We always have Rabies Clinic in May and you are welcome to bring your pets to receive the care they need to safeguard them against the elements. I thank our Borough Clerk for always heading this event as well as Councilwoman Chew. I am requesting that you look for this event in the future and tell a friend or neighbor because it is free!
- Xmas Party: I was able to attend the Senior Citizens Annual Xmas party on December 9, 2018 at Lucien's in Berlin! It was a fabulous time with fellow Council members and Mayor Blunt! There were 50/50's, door prizes, dancing, and plenty of eating and good times. My mother, Wadia Alwan attended with me and we had a grand time. I want to thank the senior citizen committee for putting on a top notch event and we can't wait until December 2019~
- Chesilhurst Day Committee: Once again, I am in search of a Chesilhurst Day Committee to plan and discuss events and activities for our Annual Chesilhurst Day Event. Please contact me by January 18th to join the prestigious Chesilhurst Day Committee; Email me at councilwoman.rukiah.alwan@gmail.com.
- Historical Committee: No Report at this Time
- Planning Board/Zoning Board:
- Planning Board meetings are once per month every Wednesday at 7PM. This month the Planning Board meeting was cancelled!

- As always, if you have any concerns or questions please contact me at councilwoman.rukiah.alwan@gmail.com
