

To Mayor, Council and Boro of Chesilhurst

On Saturday I attended the drug alliance senior citizen day all the seniors had a good time, coach Kenny provide Camden county professionals who offered directions to county organizations that can give advice and help to any and all problems that our boro seniors might have I was given the opportunity to speak to our senior's which I enjoyed.

As drug alliance council representative In addition to say no to drugs and receiving help if you are using drugs it is also about our youth learning about good citizenship. good well being and education.
